MATH MAJOR Q&A SESSION

ABSTRACT:

Q&A session for current, incoming, or prospective math majors. Come with any questions you have about the math major, graduate school, teaching in mathematics, and more. We will have Professor Beals, a current Rutgers graduate student, a former graduate student now in industry, and a representative from RUMA on the panel. Those interested in different major tracks are encouraged to come. Don't miss out on the first event of the semester!
